ORDER.

The Government do not accept the Registrar's proposals to delegate powers to the Dt. Registrar of Cooperative societies to grant exemptions in individual cases to candidates who have undergone Cooperative training in one of the Cooperative Training Institutes before selection as Junior Inspectors from undergoing theoritical instruction in the Central Co-operative Institute and to grant exemption or reduce the period of practical training in respect of candidates who have previously worked temporarily as Junior Inspectors. The Registrar should submit such cases to Government for orders. The Government however ratify the action of the Dt. Registrar of Co-operative Societies in having exempted in the past certain junior Inspectors of Co-operative Societies from the theoritical instruction and practical training prescribed for them.
